

Know Stroke

# Act F.A.S.T. to Save Lives

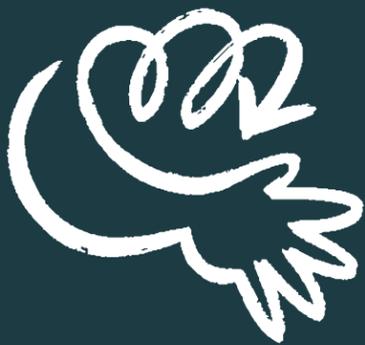

Disrupt stroke before it  
completely disrupts your life.

**F**

## Face Drooping

Does one side of  
the face droop  
when smiling?

**A**

## Arm Weakness

When arms are  
raised, does one  
drift down?

**S**

## Speech Difficulty

Is speech slurred  
or strange?

**T**

## Time to Call 911

Do not drive —  
call an ambulance  
immediately.

Getting to a hospital **quickly** saves  
lives and increases the chances for  
successful recovery.
